EDITORIAL

The new gear has started arriving in time for the Theatre restaurant. David Corrie, Darrell Nicol, Chris Packman, Donna Woollard and Christine Linning met Victoria Newton and Vicky Darling at the hall for a photo shoot. Now the sound and lighting crews have to get used to working with the very best. The Committee is grateful to Vicky Darling and Victoria Newton for the help in getting the Gambling Community Benefits Fund Grant, it will help our group get better sound and lighting for each play.

Chris Packman, Darrell Nicol and David Corrie with some of the new gear. What a lovely picture they make.

New Members

Colin and Joan Chadwick, Sonia Fearnall, Marjorie McNamara, Sandra Hay, and Fiona Pile.

Welcome to you all, you will eventually meet up with us all around the hall.

YARRAGEH

Remember Yarrageh Drama Festival is coming up after the Theatre restaurant, You may be asked to help during the week-end, the jobs that need doing are:

- **Helping in the kitchen** (Only soft drinks, lollies and chips are sold)
- **Meeting the other groups as they arrive** and showing them to the dressing rooms, toilet areas,
- **introducing them to the stage manager** and generally being helpful and friendly to all who enter the drama festival. Once the groups have been shown to their area, they may want drinks or something to eat.
- **Showing the audience to their seats**, each group will be given free tickets to see the session they are involved with only, if they want to come to other sessions they will be charged \$5:00.

Directors can get relevant forms to enter the festival by phoning the Yarrageh Co-ordinator, Christine Linning on 3869 0161 or on the web site

www.sandgatetheatre.com.

Because of the lack of numbers for the opening week-end, it was decided to cancel the first week-end of the Theatre restaurant. Let's hope numbers pick up later in the season.
