"THE PRESIDENT CRAPS ON AGAIN"

Hi everyone. Me again. We are running on all cylinders down at the town hall. Rehearsals are progressing at neck breaking speed. Darrell is having a nervous breakdown and Lilian Harrington is yelling at everyone. Luckily Chris and I are there to keep things calm. Our trio of actors are, out of this world, with Lamar Brown asking when will he be paid. "That's funny!" I think the stress is getting to Eileen Gardam though. When I saw her last she looked over 90 years old. Thank god Russell Sky has been a good son and is there to look after her. I'm very impressed with the 'Southern Belles', the other night I thought I had died and that they were angels singing in heaven. Remember, that "Driving Miss Daisy", will be performed in an American Diner atmosphere with live Jazz played throughout the night. Popcorn, Sloppy Joes, pumpkin pie and donuts will be available to purchase throughout the night. I also heard that a couple of roller skating drag queens will be there as waitresses. Sounds scary. Also the new magnetic sign has been constructed and sponsors are still being sort. Anyone interested in sponsoring us for a very small fee please contact me on 0421151260.

I've been forbidden to reveal exactly what that entertainment will be, except, that there will be a Karaoke machine. AND meals will be available. More details will be available next newsletter.
